Today is the 1st statewide webinar to release the findings from the Stakeholder Summer! 1pm-3pm

DMH Stakeholder Summer Summary Report
www1.gotomeeting.com

The CA Department of Mental Health (DMH) hosted a series of regional meetings throughout the State to hear from stakeholders and to receive input on the future of state level mental health functions. This two hour webinar will provide stakeholders with information about the 2011 DMH Community Mental...

 **Titania Jones**
I just spoke to reporter Scott Johnson from the CC Times today, about getting him to help write a story about Assembly Bill 100 and the requirement for schools to implement early periodic mental health screening. A quick reread through the bill shows that this is the only area of mental health services that has guaranteed funding. (20%), and also a provision that counties can lift the cap if the...
